

NEA-NEW MEXICO YOU TOLD US, WE DELIVERED.

From the Roundhouse to your Schoolhouse

Together we organized, advocated, rallied, and lobbied at the Roundhouse demanding a quality public education for all students. We were very clear on our legislative priorities; **Respect, Recruit** and **Retain** educators to benefit all students.

The fight continues to secure affordable healthcare for all public-school employees. Scan the QR Code below and sign our petition to lower healthcare insurance premiums rates for all school employees!
