

No More Patience, the Time is Now!

Did you miss our post legislative webinar on Thursday, March 10th? View this informative conversation with NMPED Secretary Dr. Kurt Steinhaus and NEA-NM President Mary Parr-Sanchez. What impact will the legislation have for your school, classroom and students? Additionally, what impact will these needed pay raises have in your pocket? These and other questions were explored.

Together we organized, advocated, rallied and lobbied at the Roundhouse demanding a quality public education for all students. We were very clear on our legislative priorities; Respect, Recruit and Retain educators to benefit all students. [We delivered!](#) Legislators approved a 7% pay raise, increased Tier minimums by \$10,000, set a \$15 an hour minimum and invested an unprecedented \$3.8 billion in our public schools.
